The Official Newsletter of Rosales Wesleyan Bible College

Partners, Friends and Supporters,

Greetings from Rosales!

As of today, June 13, 2009 there are 74 students, 33 men and 41 ladies...

... and the districts where they came from are as follows:

1. Mindanao – 4 of which 2 are from the tribal mission under World Hope Int'l.
2. RBI – 8 were under the Resources For the Blind... yes our partnership with this organization is still going on.
3. Bicol – 1
4. NCD – Manila = 16, the most number of students' sent
5. NWLD – La Union = 11
6. CPLD – Nueva Ecija = 10
7. CLD – Pangasinan = 9
8. NELD – Isabela = 6
9. NLD – Tabuk = 5
10. SKLD – Benguet = 4

... by Monday the students' number will be 75, because one lady is arriving yet tomorrow evening (from Isabela).

With this number, there are 30 NEW students = 26 freshmen and the 4 are irregular (since they have their college backgrounds back home).

There are also 14 PK's (pastor's kids), 10 of them are sons/daughters of those who are active in the ministry while the 4 are not.

Help us pray for these young and enthusiastic young people who wanted to follow God's call in their lives.

The next page contains pictures of the girls dorm. As I have informed you before, the first floor will be ready this first semester, hopefully just one more week to keep the paints dry, the ladies will be transferring to their new dorm. Thank you very much to those WHO prayed and gave for this project. The second floor needed much prayer still and funding.

Please keep us always in your prayers!

Sincerely,
Ptr. Bong
